

## Return Policies

\*Defected items if delivered will only be returned to the manufacturing company or its customer care unit.

\*Items delivered once can only be refunded if the delivered item's technical specification is not matching with the order placed and the amount paid for the product by the customer/client will be refunded from the same source as it was paid within next 7 working days.

\*Items will not be refunded on the basis of unmatched Appearance as shown on the website.

\*If the item delivered is covered under the warranty/guaranty then it should be returned within 7 days from the receiving of the order.

\*The company may take from 7-40 business days depending upon the fault, to replace/repair the defect and send it back to the customer/client.

\*If the customer/client is from out of station then the courier/post charges should be taken by the customer/client and in any case, not by the company.
